

MISSION

The mission of the Ocean Shores Library Foundation is to promote and enhance the library's value to the community and to inspire civic support.

WHAT WE DO

The Ocean Shores Library Foundation works within the Ocean Shores service area to continually improve; promote and support the Ocean Shores Public Library. Your gifts take the library beyond city funding to a new level of excellence.

WHAT WE FUND

Capital Projects: Extensive expansion of the existing facility increases building capacity for larger collections. New interior furnishings and expanded seating enhance the user experience.

Children's Reading Resources: Kid-friendly furnishings create a welcoming, comfortable area for children to explore the world of books.

ADA Compliant Library Upgrades: ADA features in the parking area, doors, and restrooms make the library accessible to all.

Technology Improvements: New electrical infrastructure supports computer workstations and ergonomic computer tables for patrons.

WHO WE ARE

The Ocean Shores Library Foundation, established in 2019, exists solely for the betterment and continuity of the Ocean Shores Public Library. Funds raised by the Foundation are used to meet the needs of all ages beyond the scope of the library's operating budget, including capital improvements, new technologies, programs and services.

HOW YOU CAN HELP

As we move toward the future, our vision is to expand the Library's role in the community, to shine as an innovator in educational and cultural partnerships and to touch many more lives with the power of learning.

DONATE

You may financially support us in a number of ways. Donate now, by cash or check, or leave a legacy with a planned gift.

By making a planned gift, you will be rewarded with knowing that generations of children and adults will be transformed by your generosity. Planned gifts can help to sustain the Library Foundation and the Library in a number of ways and include bequests, charitable trusts, gifts of retirement plan assets, and gifts of life insurance policies.
