Children's 2025 Summer Reading

LEVEL UP AT YOUR LIBRARY

July 31—Ian Dobson Steel Drums

August 7—Sarah Liane Foster

94 children in Pre-K thru 6th grade signed up and participated in this year's Summer Reading Program. Each child claimed a prize by coloring in all four game or puzzle related images in a level in their reading log. Starting at Level 1, they would work their way up to Level 8 and complete their reading log.

After children signed up, they wrote their name on a Tetris block that went up on the bulletin board in the children's section. More than 450 prizes were claimed from June 13—August 15!
